(2) On the same day an order withdrawing 5,000 or more acres in the aggregate is signed, the Secretary shall advise, in writing, each House of the Congress, or in the case of an emergency withdrawal, the appropriate Committee of each House, of the withdrawal action taken. Pursuant to the Secretary's authority under the act, the notices that are sent to the Congress shall be accompanied by the information required by section 204(c)(2) of the Act (43 U.S.C. 1714(c)(2)), except in the case of an emergency withdrawal, transmittal of the required information may be delayed as provided in § 2310.5(c) of this title.

The decision shall be subject to further consideration only if the applicant informs the Secretary, in writing, within 15 days of the receipt by the applicant of the Secretary's decision, that the applicant has submitted the matter to the Office of Management and Budget for consideration and adjustment, as provided for in section 1(d) of the Executive Order.

(d) A withdrawal application shall be denied, if, in the opinion of the Secretary, the applicant is attempting to circumvent the Congressional review provisions of section 204(c)(1) of the Act (43 U.S.C. 1714(c)(1)) concerning withdrawals of 5,000 or more acres in the aggregate.

All orders withdrawing 5,000 or more acres in the aggregate shall be subject to the Congressional review provision of section 204(c) of the Act (43 U.S.C. 1714(c)), except as follows:

(1) A National Wildlife Refuge System withdrawal may not be terminated as provided in section 204(c)(1) of the Act (43 U.S.C. 1714(c)(1)) other than by an Act of Congress; or

### § 2310.3-5 Compensation for improvements.

(a) When an application is allowed, the applicant shall compensate the holder of record of each permit, license or lease lawfully terminated or revoked after the allowance of an application, for all authorized improvements placed on the lands under the terms and conditions of the permit, license or lease, before the lands were segregated or withdrawn. The amount of such compensation shall be determined by an appraisal as of the date of revocation or termination of the permit, license or lease, but shall not exceed fair market value. To the extent such improvements were constructed with Federal funds, they shall not be compensable unless the United States has been reimbursed for such funds prior to the allowance of the application and then only to the extent of the sum that the United States has received.

(b) When an application is allowed that affects public lands which are subject to permits or leases for the grazing of domestic livestock and that is required to be terminated, the applicant shall comply with the cancellation notice and compensation requirements of section 402(g) of the Act (43 U.S.C. 1752(g)), to the extent applicable.

When requested, the department, agency or office benefitting from the withdrawal shall promptly provide the Secretary with the information required by § 2310.1-2(c) of this title, and the information required by § 2310.3-2(b) of this title, in the form of a withdrawal extension application with supplemental information. If the concerned department, agency or office is delinquent in responding to such request, the delinquency shall constitute a ground for not extending the withdrawal. Such withdrawals may be extended or further extended only upon compliance with these regulations, and only if the Secretary determines that the purpose for which the withdrawal was first made requires the extension, and then only for a period that shall not exceed the duration of the original withdrawal period. In allowing an extension, the Secretary shall comply with the provisions of section 204(c) of the Act (43 U.S.C. 1714(c)), or section 204(d) of the Act (43 U.S.C. 1714(d)), whichever is applicable; and, whether or not an extension is allowed, the Secretary shall report promptly on the decision for each pending extension to the Congressional Committees that are specified in section 204(f) of the Act (43 U.S.C. 1714(f)).
